

Educational Talk Series #42

Howard County Population Characteristics and Growth Management

**Friday, November 19, 2021
8 PM - 9 PM**

**Zoom ID: 919 2484 9263
Passcode: 319498**

GUEST SPEAKERS

Jeff Bronow, Chief of the Research Division in the Howard County Department of Planning and Zoning (DPZ).

SYNOPSIS

Mr. Bronow will present the Census 2020 results. Some population characteristics from the Census Bureau's American Community Survey will also be presented, along with historical and projected growth for Howard County. Howard County's growth management law and the General Plan update, HoCo By Design will also be discussed.
